

**Food Systems Summit
June 13–16, 2022
Internal Detailed Agenda**

Monday, June 13, 2022 – Day of Discovery

Morning **Key tasks: Getting started, introducing AI and Community Capitals Framework, building relationships, beginning to discover the positive core through paired appreciative interviews**

8:15 AM	Shuttles from Hotel to New Mexico Farm and Ranch Heritage Museum (NMFRM)
8:30–9:00	Registration and Artistic Presentation (Jazz Musician)
9:00–9:15	Welcome, thank you to sponsors
9:15–9:45	Introduction to Appreciative Inquiry, Community Capitals Framework, and Overview of four days
9:45–10:00	Introduction to paired appreciative interviews
10:00–11:45	Paired appreciative interviews are conducted (includes break)
11:45–12:00	Process-level debriefing of paired interviews
12:00–12:15	Overview: Conceptual underpinnings of AI (Alan)
12:15–12:30	Email break
12:30 –1:30	Lunch

Afternoon **Key tasks: Small group team building, discovering and mapping the group’s positive core, beginning to make sense of the whole**

1:30–2:45	In table groups, share stories from the interviews and discover the positive core
2:45–3:15	Table groups report out to the large group
3:15–3:30	Break
3:30–4:20	Plenary session
4:20 –5:15	Museum tour with focus on innovations and their impacts
5:30–7:00	Dinner
7:00	Shuttles Depart NMFRM to Hotel

**Food Systems Summit
June 13–16, 2022
Internal Detailed Agenda**

Tuesday, June 14, 2022 – Day of Dreaming

Morning **Key tasks: Reflecting on learnings from previous day, understanding the positive image – positive action relationships for building a bold and creative resilient food system**

8:15 AM Shuttles from Hotel to New Mexico Farm and Ranch Heritage Museum (NMFRM)

8:30–9:00 Welcome, getting started – artistic presentation

9:00–9:15 Explanation of day of dreaming in food networks

9:15–10:00 Dream up two networks

10:00–10:15 Break

10:20–11:00 Envisioning the future of your resilient food networks

11:00–11:30 Elevate your dream

11:30 –12:00 Write dream statements in groups (on flip charts)

When finished, email break until lunch

12:30–1:30 Lunch

Afternoon **Key tasks: Enacting and enriching the dreams**

1:30–2:00 Preparing creative and bold presentations of the dream

2:00–3:00 Performing creative presentations

3:00–3:15 Break

3:15–4:00 Enriching the dreams (tour dream statement flip charts)

4:00–4:45 Presentation to culminate dreaming

4:45–5:00 Review of day and assign homework

5:00–5:30 Artistic Presentation (Dzaki Sukarno, Acoustic Guitar)

5:30–7:00 Dinner

7:00 Shuttles Depart NMFRM to Hotel

Overnight – select (several) dream networks for Design phase –
Prepare blank design possibility maps (number of networks depends on voting)

**Food Systems Summit
June 13–16, 2022
Internal Detailed Agenda**

Wednesday, June 15, 2022 – Day of Design

Morning **Key tasks: Reflecting on dreams from previous day, understanding importance of values-based design, identifying high potential design possibilities, selecting high impact design elements, crafting provocative propositions**

8:15 AM Shuttles from Hotel to New Mexico Farm and Ranch Heritage Museum (NMFRM)

8:30–9:00 Tour Animal Facilities

9:00–10:00 Introduction to Community Capitals

10:00–10:15 Break

10:15–11:00 Design Possibility Mapping (pp. 178–179)

11:00–11:20 Write provocative propositions

11:20–12:30 Dream groups convene, compile individual provocative propositions into group propositions, and prepare a presentation of only one proposition

12:30–1:45 Lunch and Email Time Combined

Afternoon **Key tasks: Enriching, integrating, and building commitment for the provocative propositions**

1:45–3:30 Small groups present the first draft of provocative propositions

3:30–4:00 Small groups incorporate Summit comments into final provocation propositions

4:00–4:45 Small groups present final version of provocative propositions, large group gives appreciative feedback

4:45–5:00 Introduce Day 4 — Ways/Mean for realizing provocative propositions

5:00– 5:30 Refreshments & Artistic Presentation (Jazz Musician)

5:30–7:00 Dinner

7:00 Shuttles Depart NMFRM to Hotel

**Food Systems Summit
June 13–16, 2022
Internal Detailed Agenda**

Thursday, June 16, 2022 – Day of Destiny

Morning	Key Tasks: Reflecting on learnings from previous day, understanding the importance of inspired action, formation of innovation teams
8:15 AM	Shuttles from Hotel to New Mexico Farm and Ranch Heritage Museum (NMFRM)
8:30–9:00	Welcome & Artistic Presentation
9:00–9:30	Overview of self-organizing process, formation of innovation teams, potential funding sources and scopes of projects, some for short-term successes and capacity building toward larger projects, including ERC opportunity
9:30–10:45	Innovation Teams Meet, Focus Initiatives, Select Team Leaders, Create Future Plans
10:45–11:15	Innovation Teams Presentations
11:15–11:45	Plenary Dialogue
12:00–1:00	Conclusion and Lunch
1:15	Shuttles Depart NMFRM to Hotel
